

Welcome

Parents' Induction
Information Evening
2026

How do we judge success and impact?

Our daughter has only been at the school for Sixth Form, but we have been so impressed during her time there, by the excellent teaching, the level of organisation, and the way they have been guided through the uni application process. She has been so happy and is very sad to leave!

What have the students experienced this week?

- Welcome assembly
- Tutor time
- A variety of lessons
- The Study Café
- Social sports

What do our current students say about our ethos?

As a year 12 student

I believe that SWCHS sixth form represents:

- Hard work (It pushes me)
- Friendly environment (enjoyable)
- Helps me plan my future

The values here at the 6th form are very well set-out and value key qualities such as hard work, character and commitment which are invaluable in life beyond 6th form.

Ethos of sixth form

Hard work is valued, but it's all ~~to~~ to set you up for your own future not for the school's gain

It's competitive and hard-working but still friendly and fun.

Why here?

Academic excellence (voted amongst the very best state schools in SE England by the *Times*)

Fully comprehensive

A broad and rich curriculum (academic and pastoral)

Respect, equality and a firm sense of community

Development of the individual

PSHE 'Life Lessons' and 'Life Lectures'

Electives & the Student Bodies

Ofsted Comments: March 2024

Students in the sixth form are supported exceptionally well. Teachers have a clear understanding of what each individual student needs to do well, including those with SEND. They plan challenging activities to expertly build and develop students' knowledge and understanding. Students flourish under their teachers' expert care. They highly value their 'Life Lessons', which prepare them well for the future. The school ensures that students take on responsibilities and set up their own clubs, such as debating. Students achieve very highly.

Electives

Life lessons and
lectures

ALL on site
until Autumn half
term

Earned autonomy

For the first half of the Autumn Term students will remain on site for the entire day.

However, for students who receive a positive Progress Check in early October (called a Settling in Check) they will be given more freedom.

This could mean arriving late or leaving early, or going out for lunch (depending on their timetable).

Life Lessons and Lectures

- Year 12 life lessons are once a week (with their form tutor)
- Lessons are designed to enrich student knowledge beyond their academic studies looking at topics from driving, to careers, digital resilience, fertility, first aid and safety, and economic wellbeing.
- Year 12 life lectures are once a fortnight (guest speakers)
- Lectures are designed for students to be exposed to a variety of guest speakers, in a lecture style setting in preparation for University and the working world.
