## SWCHS SIXTH FORM SUMMER WORK

### A Level Latin

#### TASK

If you have any queries regarding this work please email [cwheeldon@swchs.net](mailto:cwheeldon@swchs.net)

#### **Task**

- 1) You must study Stage 29 *Roma* of CLC Book 4, paying particular attention to the model sentences at the start of the stage and the new grammar points in the stage. Then translate on alternate lines 'nox I and II' on p4 and p5. Please do independently: you can access a dictionary by clicking on 'Resources' in top righthand corner. Bring this to your first Latin lesson in September.  
Access Stage 29 online at: <https://www.clc.cambridgescp.com/web-book-4?p=1>
- 2) Read:
  - a) a summary of Book 1: [The Aeneid Book 1 Summary & Analysis | SparkNotes](#)
  - ← b) all of Book 4 of the Aeneid in English. David West's translation is a very good prose translation (ISBN-13 : 978-0140449327), although there is a free verse version online at <https://www.poetryintranslation.com/PITBR/Latin/VirgilAeneidII.php>
    - Make a mind map for each of the following characters with details about who they are and their key actions in Book 1 and 4: Dido, Aeneas, Juno and Venus

#### **How will this work be used in lessons?**

- 1) Stage 29 will help you tackle the study of all passive forms in September.
- 2) Book 4 of the Aeneid is one of the Latin literature set texts which you will study for A Level. You need knowledge of Book 1 lines 613-end and the whole of Book 4 in English. This task will give you a good overview ahead of studying the Latin in Y12.

#### **How long will this task take?**

5 hours across the two tasks (do not spend more than 2 hours on Task 1).
