Task

Follow the link <https://isaacphysics.org/account?authToken=RALTKE> to join the A level group for Isaac Physics. Here there are three self-marking assignments to check your maths skills linked with the physics course.

How will this work be used in lessons?

This will help you to check for, and address gaps in your maths skills prior to starting the physics course, as well as allowing the teachers to see any shared areas that need extra practice when lessons start. It will also get you used to Isaac Physics, which is used for consolidation homework tasks

How long will this task take?

Approximately 2 hours
