# October isn't just for Early Apps.....

**School leaver**

University isn't right for everyone. If you have decided it isn't the route you want to take, our school leaver programme could be a good choice for you. You will study for an accountancy or tax qualification (CFAB / AAT / ATT and/or ACA), which typically takes five years to complete from start to finish.

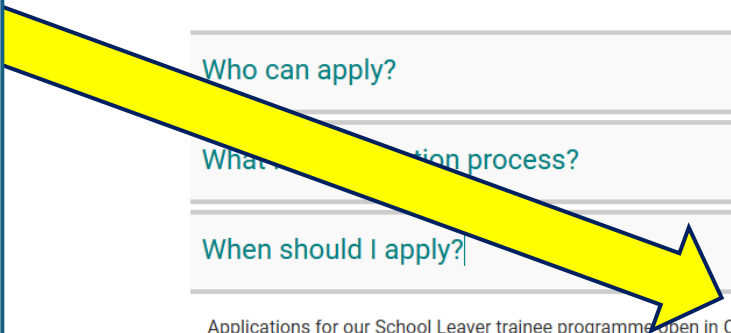

Our apprentices receive:

- Professional accountancy qualifications, fully sponsored with paid study time
- A competitive starting salary with benefits package
- Career prospects and progression

If I wanted to make a competitive application to this apprenticeship:

- CV polished/professional/industry ready
- Covering letter/application form written
- Research into the sector/business
- Interview questions researched/predicted
- Practice interview
