Private sector industry – Environmental lawyers, scientists or engineers

Where do we start in September?

The year is broken up into two large sections:

The Living environment:

The importance of conserving biodiversity

Watch: https://www.youtube.com/watch?v=Kaeyr5-O2eU

The Physical environment:

The atmosphere: https://www.youtube.com/watch?v=6LkmD6B2ncs

The hydrosphere:

https://mynasadata.larc.nasa.gov/basic-page/about-hydrosphere

Watching these videos and doing some of your own research on the topics would be great preparation!
