

Criminology Level 3 Diploma

As a department, we would love for you to start thinking about how you can engage with our subjects despite not being at school during this time! We are really excited about working with you and we hope that by looking through some of these activities you will see why we love our subjects so much!

[The British Society of Criminology](#)

Have a look at what Criminology is all about and the potential career opportunities. Is there anything you would like to do? <https://www.britsoccrim.org/>

[Do you have a criminal personality?](#)

Complete the criminal personality quiz and read through your results. Do you have criminal tendencies? <http://similarminds.com/eysenck.html>

[Who's that Criminologist?](#)

Research the following theorists in Criminology and make an IG profile / tiktok / facebook page of their work in the field:
