

Working Together Agreement

Agreement between Saffron Walden County High School and Essex Young Carers

Saffron Walden County High School will:

- Inform and refer young carers to Essex Young Carers when they have been identified, once appropriate consent from the family has been given.
- Inform Essex Young Carers of the interventions that the school have, or will be, putting in place for the young carers to improve attainment, attendance and wellbeing.
- To provide appropriate rooms for Essex Young Carers to offer nurture groups, or to complete referrals, if necessary.

Essex Young Carers will:

- Inform the school of young carers who are member of Essex Young Carers, once consent has been given by the family to do so.
- Inform the Young Carer lead how and when to make a referral.
- Where relevant, and with the appropriate consent, share information about the young carers progress.
- Support the school to help identify and support young carers.
- Support the school to work towards The Young Carers in Schools Award. A nationally recognised award run by the Carers Trust and the Children's Society.
