## SWCHS SIXTH FORM SUMMER WORK

### A Level Earth Science (Geology)

#### TASK

##### **Principles of Geology**

If you have any queries regarding this work please email [cmcconnaughie@swchs.net](mailto:cmcconnaughie@swchs.net)

##### **Task**

You need to watch the 3 episodes of Ian Stewart's documentary series "Men of Rock" below. This will give you a firm understanding of how the fundamentals of geology were first discovered and how they relate to field observations. Please make notes on the key bits of geology if you wish.

##### **How will this work be used in lessons?**

This is an excellent introduction to many of the key processes and people we will be discussing throughout year 12. We will spend time in the first few lessons discussing what you found from these documentaries.

##### **How long will this task take?**

3 hours
