##### **How will this work be used in lessons?**

By the time you start your German lessons here in September, it will have been some time since you had formal lessons; language skills get a little rusty unless you keep using them.

It will be very helpful if you complete the work provided over the next couple of weeks, little by little, to keep up your language skills, explore your course and give you confidence when you start.

##### **How long will this task take?**

Sprachfragen 45 mins / Grammatik 30 mins / Filmkritik 45 mins + Film duration
