SWCHS SIXTH FORM SUMMER WORK

A Level Music Technology

TASK

Physics for Music Technology, Filters and EQ, short device presentation

If you have any queries regarding this work please email ereed@swchs.net

Task

Follow the link at the top of this website for the Music Technology induction documents: www.reedmusic.net. This includes the preparatory work as well as advice on headphones and information about the Revision Guide.

How will this work be used in lessons?

Filtering and EQ provides the foundational vocabulary for us to start discussing Music Technology in September. The presentation on devices and software will only be short but should give you a chance to start thinking more in depth about the function of devices and their historical context.

How long will this task take?

90 minutes
