SWCHS SIXTH FORM SUMMER WORK

A Level Three Dimensional Design and Architecture

TASK

If you have any queries regarding this work please email dbennett@swchs.net

Task

You are tasked with creating observational drawings of a renowned architectural structure of your choosing while delving into its rich background and offering fascinating facts associated with the structure.

How will this work be used in lessons?

It will help develop and refine technical drawing skills, such as measurement, proportion, shading, and rendering of architectural elements. It will also help with developing a critical and analytical understanding of architectural structures.

How long will this task take?

Approximately 3 hours
