Anatomy & Physiology Skeletal System revision cards

If you have any queries regarding this work please email smacfie@swchs.net

Task

Research and complete the Powerpoint revision cards on the skeletal system. The slides are designed with the prompt eg a picture of a bone, please put your answer on the following page where indicated.

How will this work be used in lessons?

The Unit 1 Anatomy and Physiology exam is in January and we will be starting to cover the Skeletal System in September. Completing the revision cards will get you up to speed and will give us a good indication of what you already know and what we need to spend more time on.

How long will this task take?

No more than 1.5 hrs
